EDUCATION

Ph.D <i>Lanzhou University</i>	2005/09-2010/12
--	-----------------

B.Sc <i>Lanzhou University</i>	2001/09-2005/07
--	-----------------

PROFESSIONAL APPOINTMENTS

Professor <i>Lanzhou University</i>	2022/12-now
---	-------------

Associate Professor <i>Lanzhou University</i>	2017/05-2022/11
---	-----------------

Visiting Scholar <i>University of Technology Sydney</i>	2017/11-2018/12
---	-----------------

Lecturer <i>Lanzhou University</i>	2010/01-2017/04
--	-----------------

Visiting Student <i>Dalhousie University</i>	2009/08-2010/08
--	-----------------

SELECTED RESEARCH GRANTS

Study on unsupervised multiview representation learning <i>Natural Science Foundation of China, NSFC, 570,000RMB, No. 62176108.</i>	2022/01-2025/12
---	-----------------

Image processing based on mechanisms of γ-band oscillations <i>Natural Science Foundation of China, NSFC, 250,000RMB, No. 61201422.</i>	2013/01-2015/12
---	-----------------

PROFESSIONAL SERVICE

He has been serving as a regular reviewer and PC member for journals and conference proceedings, such as TPAMI, TIP, TKDE, TNNLS, TCyb, TCSVT, TMM, NN, PR, as well as ICLR, ICML, NeurIPS, CVPR, ICCV, ECCV, AAAI, IJCAI, ACM MM, MICCAI *etc.*

TEACHING

- Machine Learning
- Pattern Recognition
- Digital Image Processing
